Dear Clerk of Court

On April 15 2000
I WAS place in solitary Confinement
unjustifiably.

On the 21st April I got sick
from the Food I was served
for three times per day
lunch, Breakfast And Dinner

When the officer took me to the
Medical Department, the Nurses told
me they cant help me at this time
And they cant change the food
Diet being served in the Box
in solitary confinement

DATE MAY, 11, 2000

They Prison Continued to served me Foodloaf through out my sickness, until I saw the Doctor ~~on~~ on April 28 and got my blood tested the same day I saw the Doctor the Result of the test was poor because the Prison Continued to served me Foodloaf for BREAKFAST Lunch And Dinner.

The Foodloaf is made of flour, Corn meal And 50% sugar Which Damaged my Blood Count.

I have spoken to one Nurse about the Cruelty of the Foodloaf and while I was talking, Another Nurse started to laugh, so the MALE Nurse said to the female Nurse, Stop it! This is not something to laugh about this is a serious matter Real serious matter, suddenly she stop laughing. I have Appeal the 20 Days sentence AND the WARDEN Dismissed I Am Asking the Court to Order the York County Prison to

Compensate me with three million Dollars for the Damaged of my Blood And my HEALTh

D. V. Gayle

Your Respectfull,
D. V. Gayle.

Recently you had the following studies done:

☐ Blood pressure screening/recheck

☒ Blood test(s): blood count

☐ Urine test/culture

☐ Xray of: _____

☐ Other: _____

These tests were:

☐ All normal

☒ All normal except white blood count

was slightly low - most likely due
to a virus

I would advise that you:

☐ Follow the instructions previously given (including any medications you may presently be taking)

☐ We will be changing your medication as follows: _____

We will repeat blood count again

Sincerely,

Patricia L. Sauers, M.D.
